

Danone Institute Indonesia (DII) is one of the 17 Danone Institutes worldwide, led by Danone Institute International in France. Danone Institute was founded in France in 1991. As part of its growth, Danone Institute Indonesia was established on May 4, 2007 under the name "Yayasan Institut Danone Indonesia".

DII is a non-profit foundation, independent from Groupe Danone business units. DII provides opportunity to its Scientific Members to make significant contribution through the achievement of DII mission in Indonesia.

#### Scientific Board Members

##### President

Prof. Soekirman, SKM, MPS-ID, Ph.D

##### Vice President

dr. Endang L. Achadi, MPH, Dr.PH.

##### General Representative

Ir. Avita A. Usfar, MSc., Dr.sc.hum.

##### Members

Prof. Dr. dr. Abdul Razak Thaha, MSc.

Prof. dr. Hamam Hadi, MS., ScD.

Prof. Ir. Hardinsyah, MS, Ph.D

Idrus Jus'at, MSc., Ph.D

Atmarita, MPH., Dr.PH.

Ir. Drajat Martianto, MS., Ph.D

#### OUR PROGRAMS

1. Grant for doctorate research
2. Grant for publication in international journals
